

Our mission is to give hope to poverty stricken children through improved education, health, and living conditions.

By sponsoring a class you help break the cycle of poverty, helping the most vulnerable children. Your donation will ensure that their mental, physical, and emotional health are well taken care of. Your gracious gift will provide such needed essentials like healthy meals, education, clean water, as well as dental care, field trips, birthday parties, and parenting classes. Your help is changing a community for the better, and we are very grateful that you are making the world a better place.

You will receive updates and pictures of your class via email.

How it benefits the children of Ecuador

Our program is unique because 100% of your donations goes directly to improving the life of your sponsored class. Another advantage of giving to our program is that you have the option to give the monthly, quarterly or yearly amount that you feel is best for your mind, heart, and financial situation.

FAQ

Q. I do not know how much I should give?
A. Some of our other past monthly donations have been \$30 a month; however, feel free to give more or less.
